

South Monterey County Training Net Control Script (WedNet)

Net Announcement

[An early warning about 5 minutes before start of the net]

The South Monterey County Training Net will start in approximately 5 minutes at 1900 hrs.

[You will receive some early check-ins]

Preamble

The South Monterey County Training Net is starting at 1900 hours local time.

Good evening area residents and guests.

This is ***[Your Call:]***, ***[Your Name:]***, your net control station for this session of the net. I am operating from ***[Your Location:]***.

This training net meets Wednesdays, at 19:00 hours local time on the W6FM repeaters. 146.73 MHz and 147.36 MHz, PL 127.3

This is directed net. Please do not transmit unless directed to do so by the net control station.

[Pause your transmission]

The focus of the Wednesday Training Net is to give new operators, on air experience, and an opportunity to learn the capabilities and limitations of portable and fixed equipment, as well as learning the variables in accessing the W6FM repeater system. Further we provide training in procedures, and exchange information related to community and amateur radio activities.

All operators are welcome to join the net. We encourage all to take a turn at net control, as it is a valuable exercise in furthering your experience in communications.

Is there any emergency or priority traffic? If so, call signs only please. Go ahead.

1. Check-ins

Area residents will be checked in at this time. State if you have any announcements or traffic.

I will now call the roll.

[Acknowledge each check-in]

[Use a Roll Call Roster] *(Optional roll call order, alphabetical by call suffix, grouped by call suffix, grouped by geographical location)*

2. Are there any late or missed member check-ins? Go ahead.

3. Visitors who are listening to this net are invited to check-in at this time.
Any visitors go ahead with your call sign, first name and general location.

4. Are there any announcements or traffic? Call signs only please. Go ahead.

Closing

I am pleased to report a total of ***[Number:]*** check-ins this evening.

Will anyone volunteer to be net control next week?

Rev. 9/2/2020

The net control station for next week will be **[Call:], [Name]**.

That will conclude this session of the South Monterey County Training Net,
ending at **[Time:]** hours local time.

This is **[Your Call:]** thanking you for your participation in this training net this evening.
Good night and this frequency is returned for normal use.

If you get a chance, return a completed check- in to N6FVY blueoak3@gmail.com
This way I can keep the roster up to date with new check-ins put non check-ins in the reserve status.
